

UNIVERSITY OF NORTH TEXAS HEALTH SCIENCE CENTER – CHIEF OF POLICE

The Police Department at the University of North Texas Health Science Center is seeking to hire a Chief of Police to join our team. Under the administrative direction of the EVP and Chief People & Performance Officer, the Chief of Police provides leadership, strategic planning, and administrative direction for the PD; serves as the senior law enforcement officer for the university, and works closely with all university units. This position is responsible for the management of administrative and operational affairs and oversees safety and security for extended programs and facilities. The Chief directs and represents the PD, supervising crime prevention programs, leading community police efforts, enforcement of the crimes and vehicle codes, investigation of crimes and vehicular accidents, and maintains positive relationships with constituents.

Apply online at www.unthscjobs.com/applicants/Central?quickFind=59738.

Minimum requirements are a Bachelor's degree; and seven (7) years of related experience, or equivalent combination of education and experience. Must be Texas Commission on Law Enforcement (TCOLE) certified.

Preferred qualifications include Master Peace Officer licensing; a Master's Degree; 10 years of experience; previous law enforcement experience in a university or medical environment; and Familiarization with Law Enforcement Accreditation and their processes.

Salary is paid monthly and is commensurate with experience.

The University of North Texas System is firmly committed to equal opportunity and does not permit - and takes actions to prevent - discrimination, harassment (including sexual violence), and retaliation on the basis of race, color, religion, national origin, sex, sexual orientation, gender identity or expression, age, disability, family status, genetic information, citizenship or veteran status in its application and admission processes, educational programs and activities, facilities, and employment practices. The University of North Texas System immediately investigates and takes remedial action when appropriate.

The University of North Texas System also takes actions to prevent retaliation against individuals who oppose a discriminatory practice, file a charge, or testify, assist or participate in an investigative proceeding or hearing.
